SPEAKERS

Adnan Islam - Director, International Tax ~ McGladrey LLP

Adnan has worked primarily with corporate and private equity fund clients regarding: subpart F income issues; outbound and inbound transactions; research and analysis on optimal global finance and holding company jurisdictions; tax withholding taxes and income tax Treaty analysis; U.S. real estate dispositions by foreign persons; coordination with foreign partners and Technical Branches of the IRS / Treasury; cross-border reorganizations including mergers, acquisitions, and liquidations; debt vs. equity analysis; permanent establishment and ETB/ECI issues; check-the-box planning; transfer pricing; technical review of Forms 5471, 8858, and 8865; and 9100 (and PLR) relief rulings for IRS submission. Adnan has extensive experience managing international tax analyses with various jurisdictions including: Canada, UK, France, Netherlands, Luxembourg, Belgium, Australia, China, Hong Kong, India, Singapore, Cyprus, Germany, Ireland, and Mexico.

Peter Kao - Tax Director, McGladrey LLP

Peter Kao has more than 15 years of professional experience in international banking, corporate finance, and international tax planning. Mr. Kao specializes in facilitating cross border merger and acquisition, assisting China inbound and outbound investments, planning international family wealth and estate tax strategies, structuring United States based high-technology joint ventures, structuring foreign PE and fund investments in the United States and China, and developing strategies for inbound and outbound transfer pricing and Advance Pricing Agreement.

Mr. Kao is a member of the Board of Director at Asian American Professional Association (AAPA) and National Board of Director at Ascend. His prior experience includes being Director at PricewaterhouseCoopers, CFO at Sinostar Chemicals (USA) Inc., and VP of Finance at K&F Group Inc. He has a Master Degree from the University of Southern California - Marshall School of Business
